Dear School Families:

As we approach a new school year there are lots of questions, lots of nervous energy and I hope lots of anticipation for a new school year. Mary Montgomery School staff are working at preparing a safe school for all our children to attend. Our hope is that we can provide, as close to normal of school year, for each and every one of our students. Our goal is for students to grow academically, socially and create lifelong, wonderful memories in safe environment. We have tried to think of the different situations and plan for them to the best of our ability. As we navigate this challenging times we will try our best to adapt, to communicate, to be kind and to provide safe learning opportunities for your child. We consider it an honor that you have put your trust in our school family.

I would instruct each school family to review the plans and documents listed below. Links to these documents can be found on Mary Montgomery School Webpage (<http://mm.flbsd.mb.ca/>) and Mary Montgomery School Facebook page.

1. Summary of Mary Montgomery School Plan (Most Import to review)
2. Mary Montgomery Preparing for the Return to In-Class Learning Plan
3. COVID-19 Information Parent and Guardian Information Guide
4. Welcoming our Student Back: Restoring Safe School Questions and Answers

If you are interested, I would encourage your family to review Fort la Bosse School Division's [Welcoming Students Back Plan](#) and Manitoba Government's [Welcoming our Student Back: Restoring Safe Schools K-12 Guidelines for September 2020](#). A link to both documents can be found on the Mary Montgomery School Webpage (<http://mm.flbsd.mb.ca/>) and Mary Montgomery School Facebook page

Please if you have any questions contact the school and we will try our best to have an answer for you.

I am excited to share a smile with all our students even if the hugs have to wait.

Please take care and stay safe.
