Dear School Families:

As the new school year rapidly approaches I am certain there are lots of questions, lots of nervous energy and I hope lots of anticipation for a new school year.

Last school year we learned a lot about how to navigate a school year in a worldwide pandemic. We plan to use those lessons to help us provide **'as close to normal'** of school year, for each and every one of our students. We hope our students to grow academically, socially and create lifelong, wonderful memories in a safe environment.

As we navigate these challenging times we will try our best to adapt, to communicate, to be kind and to provide safe learning opportunities for your child. We consider it an honor that you have put your trust in our school family.

I would instruct each school family to review the Summary of Mary Montgomery School Plan found on Mary Montgomery School Webpage.

Please if you have any questions contact the school and we will try our best to have an answer for you.

I am excited to share a smile with all our students even though they may not see it!

Please take care and stay safe.

A handwritten signature in black ink that reads "Brad Hayward".

Mr. Hayward

Mary Montgomery School Administrator
